PROPERTY DESCRIPTION

Laguna 12 is a very spacious 3 bed, 3 bath apartment which has been recently renovated in a cozy and clean style with driftwood and other elements to give it a Caribbean flare. The unit truly feels more like a home than a condo and includes a big walk-in closet in the master, high ceilings and views of the sunset from both the kitchen and Master shower. The kitchen is much bigger than many other units on the beach and the unit itself is also much wider allowing for stunning views of the ocean from every angle. There is a dining table within and also another on the screened in balcony. The other 2 bedrooms also have fitted out closet and there is ample extra storage space. Additionally, there is a garage and ability to park 2 cars on property. The unit is located on the 2nd level with elevator nearby. It is also within a very short walk to the Marriott and many other amenities nearby such as Craft, Peppers, West Shore Plaza and Camana Bay. The property itself includes a beautiful lake, tennis courts, gym, a swimming pool and BBQ area. Available now - 1 year or short term lease possible.
