### PROPERTY DESCRIPTION

This spacious 1 BR 1 bath unit is nestled behind the Shores and surrounded by nature preserve. The layout of this apartment feels much bigger than 600 sf. Granite countertops, stainless steel appliances, washer and dryer in unit, large flat screen TV, sun shaded back deck with nice outdoor dining set, nice sized pool with gazebo, ample parking and quiet neighbors make this a hidden gem. Traffic to and from this location is a dream. This is a pet friendly rental with a pet deposit. Call to schedule a viewing today before it disappears!
