PROPERTY DESCRIPTION

Canal Front Elegance in Crystal Harbour Nestled in the prestigious Crystal Harbour community along Grand Caymans Seven Mile Beach Corridor, this canal-front rental offers the ultimate in luxury living. Combining breathtaking design and state-of-the-art features, this home redefines Caribbean elegance.

Sophisticated Design and Spacious Living This 5-bedroom, 5.5-bathroom residence spans multiple levels, blending contemporary architecture with high-end finishes. The modern kitchen, adorned with custom cabinetry, quartz countertops, and stainless-steel appliances, invites you to elevate your culinary creations. High ceilings, expansive walk-in closets, and an elevator ensure your comfort and convenience. Outdoor Living Redefined Step outside to your private oasis. The extended outdoor area features a large pool, perfect for unwinding under the Caribbean sun. Entertain effortlessly with an outdoor kitchen equipped with electric screens for year-round dining comfort. Enjoy tranquility and privacy in this expertly landscaped canal-front haven.

State-of-the-Art Technology This home integrates cutting-edge home automation with ESW impact windows and doors for security and convenience. Sonos speakers throughout the property, including the backyard, offer seamless control through the Control 4 app. Remote-controlled mosquito screens and electric blinds elevate your living experience.

Exceptional Features for Modern Living From an updated indoor kitchen with a Subzero fridge/freezer to a commercial-grade elevator and the potential for a rooftop terrace, every detail has been meticulously designed. Additional touches like ceramic-coated outdoor appliances, retractable hanging rods, and a chandelier with an electric winch reflect unparalleled attention to detail.

A Premier Location Crystal Harbour is one of the Cayman Islands most sought-after neighborhoods, known for its serene canals, exclusive lifestyle, and proximity to Seven Mile Beach. Enjoy easy access to world-class... [View More](#)
