This thoughtfully designed and tastefully decorated 1-bedroom, 1-bath unit offers both comfort and style. The bathroom features a spacious walk-in shower and a wide vanity, while the bedroom has a queen-size bed, a custom floor-to-ceiling closet for ample storage, and a TV. The unit also includes a washer and dryer closet with extra storage space. Perfect for a single person or a couple, this stunning home is newly built and ready for its first resident. This is a standalone home with three homes on the property. Regrettably no children. No smokers and no pets.
